State-of-the-Art designs make the new DF25A the most technically advanced portable outboard on the market today. This is the world's first 25 hp outboard motor designed with Lean Burn and Battery-Less Electronic Fuel Injection. The Suzuki EFI system operates Battery-Less, which is an industry first in this horse-power class.

Suzuki DF 25A Model & Serial Numbers As of the 2011 - Suzuki no longer categorizes the outboard motors by model years. Therefore, when you are looking up your model from the drop-down menus if you do not see your model listed in the Model Year Drop Down you will need to go to the very bottom of the Drop-Down listings and select the SERIALIZED MODELS category to look up parts.
