Community Reviews. Almost as good for primary care pediatrics is Fleisher's Textbook of Pediatric Emergency Medicine. A little more user friendly in that it is smaller and gets to the point more quickly. But it doesn't include everything that Nelson's does. It's really a wonderful book for pediatrics ..we find all about this subject here in this..

*shopAAP | American Academy of Pediatrics*

Pediatrics 101 is a guide to one of the most rewarding medical specialties that paints the landscape of pediatric practice in broad strokes, and then identifies considerations that come to bear in pre-paring for a career in medicine. Premedical and medical education, the training experience, and career opportunities are discussed in turn.
