The 100-Year Life: Living and Working in an Age of ...

The 100-Year Life is a wake-up call that describes what to expect and considers the choices and options that you will face. It is also fundamentally a call to action for individuals, politicians, firms and governments and offers the clearest demonstration that a 100-year life can be a wonderful and inspiring one.

The 100-Year Life

The 100 Year Life taps into the major demographic shift that is going on as we are living longer, healthier lives, and how this results in the need to rethink the entire life course - the nature of work, education, and how we think about time and how we use it.

The 100-year life demands constant review and readiness to change one's work and one's self, but relies heavily on commitment to one's partner.

The 100-Year Life Quotes by Lynda Gratton - Goodreads
In The 100-Year Life: Living and Working in an Age of Longevity, we start to explore what will come in its place. "The key to a happy and successful 100-year life will rest in how we use the extra time we have. A longer life means we will all have to work longer.
