strangely Ironic that Napoleon Trump is Making America Fall Again (like “W”) Domestic and global trends suggest that in 2025, just 15 years from now, the American century could all be over except for the shouting.

The American Empire And 9

The American Empire and 9/11 (full-length Version with Notes)  
David Ray Griffin Introduction After the attacks of 9/11, I accepted the blowback thesis, according to which the attacks were revenge for U.S. foreign policy. This view led me to undertake an extensive study of the American empire, the very reality of which had been an embattled issue.

was hardly a mandate for imperialism, and, as events were soon to disclose, the American people were perhaps the most reluctant imperialists in history. No sooner had they acquired an overseas empire than they set in motion the process of its dissolution or transformation.

9/11 and the American Empire - Global ResearchGlobal ...  
The American Empire IN HIS 2002 BOOK American Empire, Andrew Bacevich pointed out that it had long been a "cherished American tradition [that] the United States is not and cannot be an empire." The words "American empire" were "fighting words," so that uttering them was an almost sure sign that the speaker was a left-wing critic of America's foreign policy.

The Decline and Fall of the American Empire After 9/11 ...  
If the term "American empire" is understood in multiple ways, this is all the more true of the term "9-11." For Americans who

accept the official interpretation, 9-11 was a surprise attack on the US government and its people by Islamic terrorists.

9/11, American Empire, and Christian Faith - 911Truth.Org  
An American Empire, constructed over the last century, long ago overtook European colonialism, and it has been widely assumed that the new globalism it espoused took us "beyond geography." Neil Smith debunks that assumption, offering an incisive argument that American globalism had a distinct geography and was pieced together as part of a powerful geographical vision.
