~~The Art of Making Dances: Doris Humphrey, Barbara Pollack~~ ...

Choreography, the art of creating and arranging dances. The word derives from the Greek for “dance” and for “write.” In the 17th and 18th centuries, it did indeed mean the written record of dances. In the 19th and 20th centuries, however, the meaning shifted, inaccurately but universally, while the

~~The Importance of Dance in Childhood Education | Synonym~~

I love giving useful advice for those interested in the art of dance. Preschool-age children have truly wonderful imaginations and a thirst for learning. As their educator, it is important to engage them in exciting, fun activities that will help them develop physically, mentally, emotionally, and socially.

~~The Ancient Indigenous Art of Rainmaking—UPLIFT~~

Education in the art of dance engages the artistic processes of creating, performing and critical analysis. These processes require students to read symbol systems, use critical thinking skills, excel in nonverbal reasoning and communication, exchange ideas, work cooperatively and collaboratively with others, and interact within a multicultural society.

Dance - Dance - The aesthetics of dance: One of the most basic motives of dance is the expression and communication of emotion. People—and even certain higher animals—often dance as a way of releasing powerful feelings, such as sudden accesses of high spirits, joy, impatience, or anger. These motive forces can be seen not only in the spontaneous skipping, stamping, and jumping movements ...

~~Choreography | dance composition | Britannica~~

Dance is a performing art form consisting of purposefully selected sequences of human movement.This movement has aesthetic and symbolic value, and is acknowledged as dance by performers and observers within a particular culture. Dance can be categorized and described by its choreography, by its repertoire of movements, or by its historical period or place of origin.

Dance is my life is the only thing that give me joy,happiness,it’s make me feel love and special Dance is my daily food i eat. Sevaan Aryal on May 15, 2020: I dance every day and I don’t get tired . Kim Sum on April 27, 2020:

~~Dance—The aesthetics of dance | Britannica~~

Particularly as dance becomes a more common element in mass media, it’s important to think about what we value in dance and in art. Some might argue with even the practice of putting labels on things, but this is a blog about dance. I am passionate about dance, and given that, there are obviously some boundaries in my mind as to what constitutes dance and what does not.

~~Dying art form: Conserve the craft of making these lion~~ ...

Children receive many artistic, cultural, cognitive and physical benefits from dance instruction. The importance of dance in childhood education extends across the curriculum. Dance can be used to ...

~~The Art Of Making Dances~~

Doris wrote/published the Art of Making Dances before she died in 1958. My first copy, paperback version, was purchased for \$2.95 in my undergrad years. I used it only somewhat then, as assigned in university dance courses. Now, in the 21st century, that little book has fallen apart from repeated use.
