shields: color: green & black marbled: these have got to be my favorites out of all the cuff links i've listed! called a "lava stone", it emits a bluish/purple cast but captures all colors of the rainbow when turned. sitting in a black oval makes the colors stand out even more.

**Black dragonhide shield - The RuneScape Wiki**

A Blackshield is a Space Marine who has forsaken their former Chapter. The Chapter, assuming they still exist (and are aware of the Blackshield in question), has completely disavowed the Marine in return. These lost souls remove any heraldry or relics from their person which have any bearing on their history, blanking it completely and leaving it a plain black.
