CLOCK WINDER | Kirkus Reviews

The Clock Winder is not up there with the best, in my opinion, The Amateur Marriage, Breathing Lessons. However, it does highlight that most families are not the 'fairy tale' ones, but all have quirks, disagreements, bad decisions and strange outcomes.

The Clock Winder - Wikipedia

I enjoyed Anne Tyler's The Clock Winder and her depiction of supposedly ordinary people and their domestic lives. The characters - Mrs Emerson and her seven adult children and Elizabeth Abbott (who unwillingly but I think rather naturally picks up the role of Clock Winder) - are revealed as complex people who almost unanimously are unable to shrug off the effects of their childhood experiences.

The Clock Winder is not up there with the best, in my opinion, The Amateur Marriage, Breathing Lessons. However, it does highlight that most families are not the 'fairy tale' ones, but all have quirks, disagreements, bad decisions and strange outcomes.

The Clock Winder

The Clock Winder could be called Tyler's "forgotten novel," as it received little recognition, few reviews, and little financial success when it appeared in 1972. Tyler herself considered this, her fourth novel, to be one she is a bit ashamed of, along with the three that preceded it.

Clock Winders - View All - Ken's Clock Clinic

The Clock-winder. It is dark as a cave. Or a vault in the nave When the iron door is closed, and the floor Of the church relaid With trowel and spade. But the parish-clerk Cares not for the dark As he winds in the tower At a regular hour The rheumatic clock, Whose dilatory knock

Book Review: The Clock Winder by Anne Tyler | Theresa ...

clock winder by Anne Tyler · RELEASE DATE: April 1, 1972 Miss Tyler again explores family connections in terms of compensatory stress and balances, necessary exclusions, and the loneliness of outsiders resisting absorption.

Clock Winders - Handmade Watch Winders | Best Watch Winders

The Clock Winder, is one of Anne Tyler's best. I have fallen in love with all the quirky characters who inhabit her books.I am particularly moved by Elizabeth Abbot, in this story, who enters as a stranger on the periphery and is metamorphosed into the essential core of the Emerson family.Though each of the characters displays an array of idiosyncracies, some charming and others downright ...
