Coma (1978) - IMDb

"The Coma" is a brilliant psychological thriller that takes place entirely in the mind of a coma patient as he moves from various states of subconsciousness, where the "dream" becomes a more desirable state of being than reality itself.

Steam Community :: The Coma

A coma is a prolonged state of unconsciousness. During a coma, a person is unresponsive to his or her environment. The person is alive and looks like he or she is sleeping. However, unlike in a...

The Coma: Recut is interesting in concept, but flawed in its execution. Mixing survival horror with stealth and visual novel elements provides a unique side-scrolling experience. While the anime art style and slow pace might detract from the horror, along with the main mechanic becoming repetitive instead of scary, there is still enough narrative content to get invested in the twisted tale of Sehwa High.

The Coma is a novel by Alex Garland, illustrated by his father, Nicholas Garland. It explores the boundary between the conscious and subconscious mind. The Coma was published in 2004, eight years after Garland's first novel, The Beach .

The Coma: Recut for Switch Reviews - Metacritic

The Coma is that transition in a book from prose to screenwriting, as well as the answer that he was done with novels and ready to move on to something new. But there is no real answer to The Coma. The ending is that most polarising of finales: open-ended.
