Based on lots of experiences in different companies, THE DANCE OF CHANGE is the most realistic, thorough, thoughtful work on achieving large-scale organizational change that has ever been my pleasure to read.

~~Book review: The Dance of Change | Biblical Leadership~~

The Dance of Change, written for managers and executives at every level of an organization, reveals how business leaders can work together to anticipate the challenges that profound change will ultimately force the organization to face. Then, in a down-to-earth and compellingly clear format, readers will learn how to build the personal and organizational capabilities needed to meet those challenges.

in Learning Organizations, Part 173. These challenges are not imposed from the outside; they are the product of assumptions and practices that people take for granted—an inherent, natural part of the processes of change. And they can stop innovation cold,...

### ~~The Dance of Change—CTR training~~

The Dance of Change. (Track 4) The Dance of Change focuses on one particular type of organizational change: that which combines inner shifts in people's values, aspirations, and behaviors with outer shifts in processes, strategies, practices and systems. This kind of change is called PROFOUND CHANGE.
