~~The purpose of The Debate on the Crusades is to provide an overview of how the crusades have been interpreted by successive generations of western European (and, latterly, North American) historical commentators since the time of the First Crusade.~~

~~The Crusades... Good or Bad? | CreateDebate~~

~~The historiography of the Crusades has been subject to competing and evolving interpretations from the First Crusade in 1096 until the present day. Originally intended as a way to re-direct Western military efforts from fighting other Christians and into the conquest and retention of the Holy Land, they were later used in other areas of interest to the Catholic Church.~~

~~The second Crusade was a massive failure as the Seljuks retook Jerusalem and the Third Crusade was actually in Iberia against the Almoravids who took control of it from a fractured Moorish Iberia. The Crusades after that were either Northern, Useless or Missed their target.~~

~~Debate:Crusades... Good or Bad? — Conservapedia~~

~~The debate in the nineteenth and early twentieth centuries revolved around essentially materialist interpretations, the crusades as wars of conquest, motors of economic expansion and expressions of colonialism.~~

~~Thank you, yhubin, for starting this debate. I'll start off with some definitions. The Crusades[1] 1) A series of religiously-sanctioned military campaigns waged by much of Latin Christian Europe. The specific crusades to regain control of the Holy Land were fought over a period of nearly 200 years, between 1095 and 1291 invasion[2]~~

The term's usage can create a misleading impression of coherence, particularly regarding the early crusades, and the definition is a matter of historiographical debate among contemporary historians. At the time of the First Crusade , iter , "journey", and peregrinatio , "pilgrimage" were used for the campaign.

~~The Debate On The Crusades~~

There is so much debate concerning the Middle East and the land of Israel. The debate has raged for centuries, but the greatest myth perpetuated as truth is the idea that the Crusades were done in greed, by the Catholic Church, seeking to colonize the land and convert the Muslims. It is true, the Crusades were sanctioned by Pope Urban II in 1095, but it began in response to the pleas from ...

Eighteenth-century philosopher David Hume famously declared that "the crusades engrossed the attention of Europe and have ever since engaged the curiosity of mankind." This is the first book-length study of how succeeding generations from the First Crusade in 1099 to the present day have understood, refashioned, molded, and manipulated accounts of these medieval wars of religion to suit ...

My understanding of the First Crusade is that it was largely based no reports of abuse of pilgrims, though whether that abuse was remotely institutionalised or simply the activity of individuals and small groups acting on their own behalf (just as there were thieves and bandits in Western Europe) is certainly open to debate. The First Crusade ...

The Crusades helped with a LOT of information trading. Architectural techniques, mathematical theories, science, art and lots of more have been shared because of the Crusades. However, the Crusades had one flaw. They were a forced push from the rich, ultra powerful church to attack a country, for glory, for power, for riches, for land and for God.
