The twin crisis of Dalit politics and Dalit discourse ...
What exactly does discourse "construct"? Discourse theorists disagree on which parts of our world are real. In other words, they take different ontological stances.Extreme constructivists argue that all human knowledge and experience is socially constructed, and that there is no reality beyond discourse (Potter 1997).Critical realists, on the other hand, argue that there is a physical ...

How to Do a Discourse Analysis - PoliticsEastAsia.com
Politics is the set of activities associated with the governance of a country, state or an area. It involves making decisions that apply to groups of members.. It refers to achieving and exercising positions of governance—organized control over a human community, particularly a state. The academic study focusing on just politics, which is therefore more targeted than general political ...
