End Loneliness Initiative – Being Alone Doesn't Have to Be ...

Profound, sonorous, poignant, and deeply cathartic, The End of Loneliness is but one of the few novels that I would consider a literary magnum opus — a league on its own. Brimming with philosophical ruminations, insurmountable truths, and penetrating insights, it explores grief, life and death, camaraderie, yearning, solitude, and dreams of the lives forgone.

Seven ways to end loneliness | Laura Ferguson | Opinion ...

The End of Loneliness is both affecting and accomplished — and eternal."—John Irving, author of The World According to Garp, The Cider House Rules, and Avenue of Mysteries "Wells has constructed a probing study of self-creation and forgiveness."—

All By Yourself? 10 Ways To Overcome Loneliness

The End of Loneliness is not a cheerful book, but it's one that all of us can relate to. After all, part of living life means feeling alone. Although Jules suffered an immense loss at a young age, there is a turning point in each of our lives that we can point to and say, "that's where it all changed."
