This Place, These People: Life and Shadow on the Great ...

These plainspoken recollections tell of a way of life that continues to evolve in the face of wrenching change. Warner's spare, formal photographs invite readers to listen to the cadences and tough-minded humor of everyday speech in the Great Plains. Stark's afterword grounds the project in the historical relationship between people and their land.

This Place, These People: Life and Shadow on the Great ...

Nancy Warner and David Stark, *This Place, These People: Life and Shadow on the Great Plains*. New York: Columbia University Press, 2014. 118 pp. \$39.95. This photograph collection is another grim, if infused with a spare beauty, interpretation of abandoned Great Plains "places." Warner's selenium and sepia photographs tell a regional story ...
