The Uberti "1858" New Model Army is a well-made and accurate reproduction of one of the very best of the breed. Note: A complete review of this revolver can be found on the Product Review Page.

[Uberti Remington 1858](#)

The Remington 1858 New Army Conversion was among the first of the Civil War percussion era revolvers converted to fire metallic cartridges. The original cap-and-ball cylinder was altered or replaced by a cartridge cylinder. A new breech face with a loading gate was added. The frames were dovetailed to permit the insertion of an ejector assembly.
