In Unclaimed Experience, Cathy Caruth proposes that in the widespread and bewildering experience of trauma in our century—both in its occurrence and in our attempt to understand it—we can recognize the possibility of a history no longer based on simple models of straightforward experience and reference.

Unclaimed Experience: Trauma, Narrative and History ...

Unclaimed Experience offers an extensive framework for reading narratives of traumatic experience through psychoanalytic and literary theory. Caruth's crucial and contemporarily resonant question for the experience of trauma is posed in her introduction: "Is the trauma the encounter with death or the ongoing experience of having survived it?" (7).
