Note: Many of the death toll numbers listed above are best estimates based on available research. Some, such as the Plague of Justinian and Swine Flu, are subject to debate based on new evidence.. Despite the persistence of disease and pandemics throughout history, there's one consistent trend over time - a gradual reduction in the death rate.

~~History 101: Telling the greatest true stories of all time~~

The prehistory of the United States started with the arrival of Native Americans before 15,000 BC. Numerous indigenous cultures formed, and many disappeared before 1500. The arrival of Christopher Columbus in the year 1492 started the European colonization of the Americas. Most colonies were formed after 1600, and the early records and writings of John Winthrop make the United States the first ...

Conventions in History Writing Write in past tense . Since historical events happened in the past it is prudent for your prose to be written in the past tense. Avoid generalization: Historians value specificity not vague words or equivocal words. Write in academic voice Avoid use of 1st or 2nd person. Avoid present-ism or anachronism
