Victory deferred : how AIDS changed gay life in America ...

Victory Deferred looks at how AIDS has changed both individual lives and national organizations. It tells the story of how a health crisis pushed a disjointed jumble of local activists to become a national visible and politically powerful civil rights movement, a full-fledged minority group challenging the authority of some of the nation's most powerful institutions.

John-Manuel Andriote - Wikipedia

As a journalist, he chronicled the heroes and villains with a bird's-eye view of the battle. His seminal work, "Victory Deferred: How AIDS Changed Gay Life in America" was published in '99 after...
