Details about White Speedylock 7340 Serger Sewing Machine ...

When it comes to used sergers, you could do better. I had an opportunity to review this serger while visiting the used machine department at Factory Sew-Vac. While the stitches are good, there are other things that could turn you off. If, however, you don't mind working on a noisy machine that vibrates more than I think it should, you just might be happy with the White Speedylock Model 1600.

Instructions to Thread a White Speedylock Serger | Our ...

Sorry if i put this is the wrong spot, i am pretty new here. I have a speedylock white 299 serger, worked fine up until a week or so ago. I am not sure what happened (my guess is my daughter had something to do with it, it got unthreaded "mysteriously") i tried changing the needles, and rethreading it, but it is just not working.
