~~Voices From Our Public Schools~~

2018 Voices from the Classroom: A Survey of America's Educators is a groundbreaking, nationally representative survey that captures the views and opinions of educators across the country on a wide variety of education issues. All too often education leaders and legislators make decisions impacting our students and the teaching profession without first gathering the crucial insights from those charged each day with turning policy into practice.

It's easy to point out why public schools are so important to good governance, scientific discovery, strong economy and our international status. But much harder to deliver on the cheap.

~~Why public schools? : voices from the United States and ...~~

If public education were broken, and our schools no longer had the ability to teach, then why is it you never find any of these "broken" schools in affluent communities? I wrote about this issue last spring, when I showed how the schools in my hometown of Pasadena, California were out-performing the California average in all major demographic categories -- white, black and Latino, poor and non ...

~~Why should public schools be a national top priority ...~~

Voices From the High School is a play that exposes the attitudes, feelings, and issues that high schoolers face. The play is told in short skits with one-shot characters, interspersed with short anecdotes given by nameless characters. Each skit deals with a specific issue, from being the new kid to working to teen pregnancy. Abusive Parents: Larry's dad., Adorkable: Kim., All Girls Want Bad ...

In 2018-19, Voices will operate four public charter schools: Voices-Franklin-McKinley (K-8), Voices-Morgan Hill and Voices-Mt. Pleasant (both Transitional Kindergarten - 4th, growing to Transitional Kindergarten - 8th) and Voices West Contra Costa (Transitional Kindergarten- 2nd).

~~Why Wealthy Parents Are Increasingly Choosing Public Over ...~~

Many schools have advisory councils, where elected parents, teachers, and community members have a voice in decisions such as the hiring of a new principal. Diplomacy is required, but it is possible to get your voice heard. 5.

~~Listen to community voices as we redesign California ...~~

Students' Voices Must Be Central to the Way School Is Reimagined. With schools gone virtual and in-person feedback from students no longer possible, listening to students can feel harder than ever. There is always an inherent...

~~Violence in Schools: Causes and Solutions | Voices of Youth~~

The pandemic underscores how vital the voices Johnson, Hernandez and Cruz are in designing solutions to meet the moment. As we move into the next era of California public schools, we know that the future of learning must be co-designed by the students, families and educators, who are experts on the needs of their communities.
