I would suggest turning off the machine disconnecting the network cable and turn the machine on with out the network cable attached. If you get a code then search for that code on the support page for your machine. If you do not get a code then there is something not right with the networkd setup. Contact your Network Admin. for additional ...

### **Xerox 5021/5019 Error indicate Meaning**

The Xerox site doesnt show me the fault code that I have.. Im running a V80 and its code 012-299 I have a booklet finisher that ONLY does booklet fold and half fold. I get this code when I am NOT using the booklet maker and it just randomly happens.. Usually when Im trying to print 750+

### **Fault Codes: How to Look Them Up**

Before Christmas my husband bought me a new iMac which is running on OS X Yosemite Version 10.10.1. I never dreamt that it would not be compatible with my Xerox WorkCentre 6015 which boasts that it is compatible with Apple with a sticker/banner on the top of the printer scanner containing the Mac Icon with the blue face on.
